

Pray for me as I continue to serve at Faith Academy. I have been very exhausted lately - in part due to this lingering cough and head cold. I have also heard that I am suppose to have a student teacher this semester but nobody has shared the details of that with me so I do not know who she is, exactly when she is arriving, or from where she is coming. It would be helpful in planning the beginning and ending of some units if I knew when she was going to be here.

Pray too that I will continue to draw near to God and that I will clearly hear his voice or feel His hand of guidance for the future. For now I believe this is where the Lord wants me to be but I want to be open to whatever He may have for the future. Thanks to all of you who continue to make it possible for me to be here as a full time missionary. Your financial and prayer support are both of incomprehensible value. Thank you.

I am planning on a short time in the U.S. in June and part of July 2012. I will be in Ohio and Wisconsin on this trip. I will spend some time with my churches and friends their and then I will also be attending to some family matters in Ohio. Pray for the planning of this trip and for everything that needs to be accomplished at that time.

I thank you, and my students and their families thank you for the part you play in keeping our school here and functioning so that the Word of God and love of God can be spread to many language groups, people groups (rich and poor), and cultures. Your caring and generosity make a big difference!

Looking forward to seeing what God will do it 2012!

With a smile-
